## Best Treatment for Catarrh S. S. S. Removes the Cause

Specialists in Catarrh troubles have agreed that it is an infection of the blood. The laboratories of the S. S. Co., at Atlanta, have proven it. Once you get your blood free from impurities—cleansed of the Catarrhal poisons, which it is now a prey to because of its unhealthy state—then you the six people for an hour-or more will be relieved of Catarrh—the dripping in the throat, hawking and spitting, and succeeded in saving their lives. poisons, which it is now a prey to because of its unhealthy state—then you will be relieved of Catarrh—the dripping in the throat, hawking and spitting, aw sores in the nostrils, and the disagreeable bad breath. It was caused, in he first place, because your impoverished blood was easily infected. Possibly a slight cold or contact with someone who had a cold. But the point is—fon't suffer with Catarrh—it is not necessary. The remedy S. S. S., discovered over fifty years ago, tested, true and tried, is always obtainable at any frug store. It has proven its value in thousands of cases. It will do so in your case. Get S. S. S. at once and begin treatment. If yours is a long standing case, be sure to write the S. S. S. Co., Atlanta, Ga., for free expert nedical advice. They will tell you how this purely vegetable blood tonic cleanses the impurities from the blood by literally washing it clean. They will prove to you that thousands of sufferers from Catarrh, after consistent treatment with S. S. S., have been freed from the trouble and all its disapreeable features and restored to perfect health and vigor. Don't delay the reatmentary control over all war agreements. Take S. S. S. at once.
